### **Corporate Obligations under International Law By Markos**

Although the concept of corporate complicity has emerged in litigation under the US Alien Tort Statute, Karavias concludes that this jurisprudence is peculiar to US courts , and falls short of influencing international custom on the subject of corporate obligations under international criminal law (111).

### **Concept of Corporate Obligations under International Law**

It concludes international law does not prevent States from creating obligations directly binding on corporations under international law. In order for a corporate obligation under international law to be affirmed, three conditions have to be met: the obligation must be provided for in an international law rule, regulating corporate conduct directly, that is without prior recourse to municipal

### **Corporate Obligations under International Law Oxford**

This book examines the extent to which international law places obligations directly on corporate entities. It is often argued that corporations are bound by, inter alia, the same human rights and environmental obligations that states have.
