### **Milk and Honey A Decker Lazarus Novel Faye Kellerman**

F. Kellerman: Milk and Honey. This book is a pleasant read and a well-plotted detective story. What bothers me, though, is that it does not leave any strong impression. The Vietnam episode does not seem organic in the book, and would need either more information or less pathos. No doubt the authoress relies on the readers knowledge of it from her previous books. But this may not be the case

Milk and Honey - Faye Kellerman Detective Pete Decker finds a little girl on patrol one night, and in his quest to find out who she is and who she belongs to, uncovers a grisly quadruple murder scene. This is a tough review to write. The overall mystery involving the little girl and the murders was good, and the only real reason I kept listening. But, and this is a big one for me, Pete Decker
