What are monetary transactions What are some examples

When a commercial bank buys currency from the central bank, and pays with a debit to its reserve account balance, that is a monetary transaction. When you buy currency from your commercial bank, and pay with a debit to your deposit account balance, that is a monetary transaction. When you pay your utility bills by online banking, your bank debits your deposit account balance in the amount of your payment, and the payee s bank credits the payee s deposit account in the amount of your
