The Routledge International Handbook of Life Course

The Routledge International Handbook of Life-Course Criminology provides an authoritative collection

of international theoretical and empirical research into the way that criminal behavior develops over the life-span, which causal mechanisms are involved in shaping this development, and to what degree criminal justice interventions are successful in redirecting offenders criminal

The Routledge International Handbook of Rural Criminology

The Routledge International Handbook of Rural Criminology is the first major publication to bring together this growing body of scholarship under a single cover. For many years rural criminology has remained marginalized and often excluded from the mainstream, with precedence given to urban criminology: this volume intends to address that imbalance.
