The Wandering Earth Classic Science Fiction Collection

A delightful collection of imaginative science fiction. Each story in The Wandering Earth is a cascade of ideas. Liu Cixin starts each one with a concept, which then leads to another, and then a third, and on.

Short Science Fiction Collection 064 Various Free

Science fiction is a genre encompassing imaginative works that take place in this world or that of the author's creation where anything is possible. The only rules are those set forth by the author. The speculative nature of the genre inspires thought and plants seeds that have led to advances in science. The genre can spark an interest in the sciences and is cited as the impetus for the
