A little book full of enormous value for novices and seasoned venture capitalists alike. After having been thrown for a loop by the bursting of the tech bubble more than a decade ago, the venture capital industry suddenly has come roaring back to life over the past two years. In 2011 alone, more than \$7.5 billion in venture capital was invested representing more than a 19% increase over the previous year in more than 966 companies. A majority of these companies reside in the life
