Project of Positivism in International Law Oxford

The Project of Positivism in International Law M nica Garc a-Salmenes Rovira Abstract. International legal positivism has been crucial to the development of international law since the nineteenth century. It is often seen as the basis of mainstream or traditional international legal thought. This book addresses this theory in the long-standing tradition of critical intellectual histories of

The Project of Positivism in International Law The History

The Project of Positivism in International Law addresses this theory in the long-standing tradition of critical intellectual histories of international law. It provides a nuanced analysis of the resilience of the economic-positivist theory, and shows how influential its role was in shaping the modern frameworks of international law. The book argues that the rise of positivist international law
