Taking place over six days, this novel explores a family in crisis, peeling away layers of relationships to expose one startling truth after another. Mother to daughter, sister to sister it is a story of rising to a challenge and making hard decisions, then loving enough to let go.

While my family has never been through trauma like what the book portrays, I very much relate to the youngest sister. I find the family dynamics fascinating, and can't wait to see how the story pans out. Like other Barbara Delinsky books, this one is also a page-turner, and an easy read.

While My Sister Sleeps Barbara Delinsky Hardcover

While My Sister Sleeps is one of those stories you live and feel while you are reading. I downloaded an excerpt which included the first chapter and I instantly wanted the whole story. The beauty of this book is in the non-dramatic way Delinsky tells us the story. Of course it is dramatic and sad but her way of telling is no nonsense, not overly tearful but mature.
